We're happy to be able to add this fine recording from the renowned vocal jazz program at the University of Northern Colorado. The primarily a cappella recording opens with a challenging rendition of Gershwin's "It Ain't Necessarily So" by mixed ensemble Et Cetera. Other highlights include a tune by The Real Group's Anders Edenroth, "For The One I Love," a swinging arrangement of "Won't You Be My Neighbor," and a creative big (vocal) band arrangement of Sting's "Every Breath You Take" that musically quotes "New York New York" and "Don't Get Around Much Anymore" and has to be heard to be believed! Among the a cappella arrangements performed here that are available for sale are "Kiss From A Rose," "Gone With The Wind," "I'll Be There For You," and "Unchained Melody." Good stuff!
